### BOAR

Boar... not bore.  
Boar-people have great luck in finance  
and better than good luck in romance.  
They are gallant, courteous, honest and  
studious... they deeply enjoy knowledge  
and its pursuit.  
They make few friends, but those who  
are chosen are valued and venerated  
forever.  
Boar-people are responsive lovers but can  
on occasion be led astray with an  
unrealistic view of life over the fence. It  
doesn't usually work out, but their natural  
sincerity gets them back into the nest they  
had forsaken.  
The Boar and the Monkey have no  
affinity - not with another Boar-person.  
Boar-people can enjoy a giggle and more  
with those under the Rabbit and Sheep  
signs... and maybe a teeny-small chuckle  
with a Horse or a Cock-person.
